

99.8% of enrollees currently have coverage for mental health and substance use disorder services at parity with other medical conditions and will not gain any new benefits under SB 855.

Mental health parity and substance use disorder treatment parity is already established California law. SB 855 drives up health care costs for everyone.

Now is not the time for costly, unnecessary mandates.

SB 855
drives up premiums by millions of dollars in the first year.

SB 855
adds over \$1.5 million in new costs to the Department of Managed Healthcare's Managed Care Fund.

SB 855
undermines provider networks.

SB 855 Threatens Quality of Mental Health Care and Increases Costs for All.
